Energy performance certificate (EPC)

23 Peckham Williams Place Badshot Lea FARNHAM GU9 9GA	Energy rating **B**	Valid until:	**13 February 2032**
		Certificate number:	**2832-5432-4000-0924-3296**

roperty type	Semi-detached house
otal floor area	69 square metres

Rules on letting this property

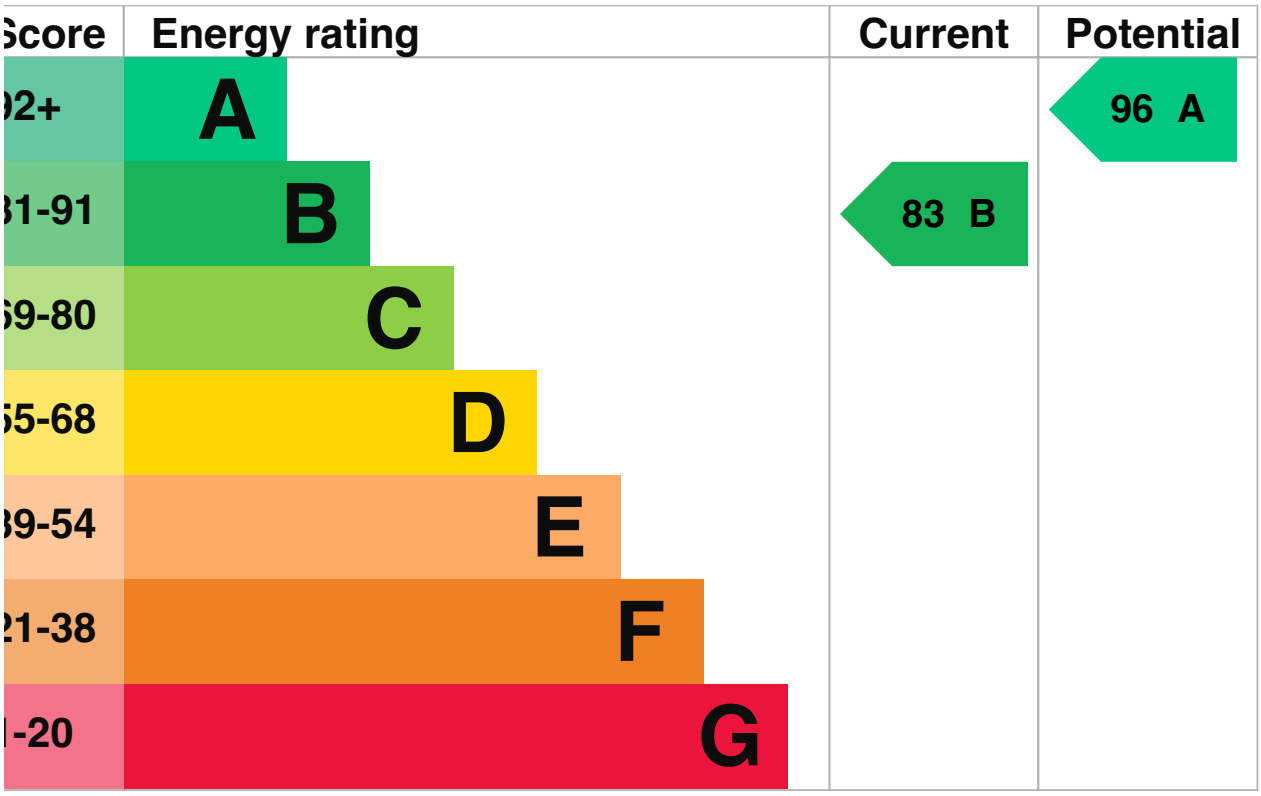

operties can be let if they have an energy rating from A to E.

u can read guidance for landlords on the regulations and exemptions (https://www.gov.uk/guidance/domestic-private-rented-operty-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

is property's energy rating is B. It has the potential to be A.

e how to improve this property's energy efficiency.

e graph shows this property's current and potential energy rating.

operties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy b e likely to be.

r properties in England and Wales:

- the average energy rating is D
- the average energy score is 60

Breakdown of property's energy performance

eatures in this property

atures get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how ll features work or their condition.

sumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.

ature	Description	Rating
alls	Average thermal transmittance 0.19 W/m²K	Very good
oof	Average thermal transmittance 0.10 W/m²K	Very good
oor	Average thermal transmittance 0.18 W/m²K	Very good
ndows	High performance glazing	Very good

ain heating	Boiler and radiators, mains gas	Good
ain heating control	Programmer, room thermostat and TRVs	Good
t water	From main system	Good
ghting	Low energy lighting in all fixed outlets	Very good
tightness	Air permeability 4.5 m³/h.m² (as tested)	Good
condary heating	None	N/A

rimary energy use

e primary energy use for this property per year is 95 kilowatt hours per square metre (kWh/m2).

About primary energy use

low this affects your energy bills

average household would need to spend **£339 per year on heating, hot water and lighting** in this property. These co
ually make up the majority of your energy bills.

u could **save £24 per year** if you complete the suggested steps for improving this property's energy rating.

is is **based on average costs in 2022** when this EPC was created. People living at the property may use different
nounts of energy for heating, hot water and lighting.

eating this property

timated energy needed in this property is:

- 2,274 kWh per year for heating
- 1,537 kWh per year for hot water

mpact on the environment

is property's environmental impact rating is B. It has the potential to be A.

operties get a rating from A (best) to G (worst) on how much carbon dioxide (CO2) they produce each year.

arbon emissions

n average household produces	6 tonnes of CO

his property produces	1.2 tonnes of CO
his property's potential production	0.0 tonnes of CO

u could improve this property's CO2 emissions by making the suggested changes. This will help to protect the vironment.

ese ratings are based on assumptions about average occupancy and energy use. People living at the property may use ferent amounts of energy.

teps you could take to save energy

Do I need to follow these steps in order?

tep 1: Solar water heating

ypical installation cost	£4,000 - £6,00
ypical yearly saving	£2
otential rating after completing step	84 B

tep 2: Solar photovoltaic panels, 2.5 kWp

ypical installation cost	£3,500 - £5,50
ypical yearly saving	£36
otential rating after completing eps 1 and 2	96 A

Who to contact about this certificate

Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

Assessor's name	Silvio Junges
Telephone	01884 242050
Email	info@aessc.co.uk

Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

Accreditation scheme	Elmhurst Energy Systems Ltd
Assessor's ID	EES/008855
Telephone	01455 883 250
Email	enquiries@elmhurstenergy.co.uk

About this assessment

Assessor's declaration	No related party
Date of assessment	14 February 2022
Date of certificate	14 February 2022
Type of assessment	▶ SAP

Other certificates for this property

you are aware of previous certificates for this property and they are not listed here, please contact us at nclg.digital-services@communities.gov.uk or call our helpdesk on 020 3829 0748 (Monday to Friday, 9am to 5pm).

ere are no related certificates for this property.
